

Michael C. Shulkin, O.D.

OPTOMETRY

Stewart Wolfe O.D.

March 1, 2016

Dear Patients and Friends:

It has been a privilege and honor to serve as your optometrist here in Santa Rosa. I feel my professional and personal life was enriched by my many years of practice with you, my patients.

My last day of practice will be March 16, 2016. After that, my patient files will be transferred to Dr. Michael Shulkin, a longstanding practitioner here in Santa Rosa.

Dr. Shulkin graduated from UCLA (majoring in math), and received his Doctor of Optometry at Illinois College of Optometry. He has additional post-graduate training at University of California, Berkeley.

His mode of practice is similar to my previous practice before my pleasant and professional association with Empire Eye Doctors and Eye Care Institute. His is a "family practice" stressing individual care with both a professional and personal touch. His location is at 1188 Montgomery Drive, Santa Rosa, CA 95405. Telephone # 707-542-3404.

I look forward to my retirement here in Sonoma County. I am sure I will encounter many of you here in the community and will keep up the personal relationship.

Thank you all, my patients, who have made the last 35 years so special.

Sincerely yours,

Stewart Wolfe O.D.
